GRAN PREMIO DEL  
MADE IN ITALY E DELL'EMILIA ROMAGNA 2025

16-18 May 2025

An aerial, grayscale photograph of a racetrack complex. The track itself is a long, straight strip running diagonally from the top right towards the bottom left. To the left of the track are large, multi-tiered grandstands. In the foreground, there is a large parking lot filled with cars, a prominent Ferris wheel, and several buildings, including a large rectangular structure. The background shows a dense residential or commercial area with many buildings and trees. The overall scene is captured from a high angle, providing a comprehensive view of the facility.

Experience unrivaled trackside action.
